2.8. GENERAL STEERING COMMITTEE FMWGS / GENERAL EXTENSIVE MEETINGS FREQUENCY

The number of meetings will be of 4 or 5 per year, if possible, in coincidence with FERRMED Steering Committee meetings and General Assembly meetings.

2.9. FMWG STEERING TEAMS MEETINGS FREQUENCY

The number of meetings will be of 4 or 5 per year. Usually will be held a few weeks previously to the Steering Committee or FMWGs General Extensive meetings.

2.10. FMWG SECTORAL LEADING TEAMS MEETINGS FREQUENCY

The number of meetings will be of 4 or 5 per year as a minimum. Usually will be held a few days before the FMWG Steering Team meetings.

Additional meetings of the sectoral Leading Teams could be celebrated at their convenience.

2.11. VENUES OF THE MEETINGS

Usually all the aforementioned meetings will be held in the premises of FERRMED members and of the other entities associated to the project.

The meetings could be held, as well, in the FERRMED premises in Brussels and in the Barcelona Delegation.

2.12. GENERAL SECRETARIAT

The FMWG General Secretariat will support the operational issues of the different FMWG. Additional support could be delivered by the FERRMED members and associated entities offices.

2.13. MEETINGS WITH INTERLOCUTORS

2.13.1. MEETINGS REQUESTED BY FMWG

Regular meetings to discuss the FMWG proposals (and implementation advance) with the interlocutors are essential.

These meetings –according to the importance of the matter– could be held at different levels. The attendance of FMWG could be from Sectoral Leading Teams rank to General Steering Committee representatives level.

2.13.2. ATTENDANCE TO THE MEETINGS ORGANIZED BY THE INTERLOCUTORS

It is also important to participate in the meetings and conferences organized by key interlocutors particularly European Commission (DG MOVE), Coordination of the Corridors (Core Network official corridors and Rail Freight Corridors) and Ministries of Transportation of involved Member States and neighbouring countries.
